Turkey's Position Hopeless. "From a military and economic standpoint, Turkey's position is hope-less. Nothing can prevent even worse misfortunes except immediate accept-ance of the inevitable."

#### TO CAPTURE GALLIPOLI. Bulgarians Concentrating Efforts of the Turkish Forts There.

London, Feb. 5. The Bulgarians are devoting their chief attention to the bembardment of Adrianople and in an attempt to capture the Gallipoli peninsula and so take the Turkish forts in the rear.

An official despatch issued at Con-An omeiai despatch issued at Con-stantinople indicates that the Bulgari-ans have been successful in their first operations in the latter quarter, and, according to a Sofia despatch, the cap-ture of Gallipoli is the chief object of the Bulgarian ambitions for the time being and no serious attempt will be made to force the Tchatalja lines.

The same despatch says that the Bulgarian attack in Gallipoli is supported by the Greek navy in the Gulf of Saros. Fifty thousand Bulgarians were landed along this coast last No-

were landed along this coast last No-vember, and it may be presumed that during the armistice this force was strengthened by artillery.

Should the Bulgars capture the Turkish forts, there is nothing to pre-vent the Greek fleet from entering the Dardanelles, where, in the opinion of naval officers, it could easily defeat the inferior Turkish fleet, in which case Constantinople would be at the mercy of the allies. mercy of the allies.

# Peace Within a Week.

An agreement was made for a vote on the bill on the legislative day of February 11; but it is expected it will be several days later than that when the vote actually is taken. Senator Burton of Ohio leader of the faction in the senate which favors control by the government over the rates and charges of water powers, defended the

"The time will come when there will have to be national supervision over these water power rates, just as there is over railroad rates," said Senator Burton. "It will be necessary to regard water as well as land as an asset of the nation which must be so controlled as to promote the general welfare and as far as possible afford equal opportunity."

# Saw Blood on Beach's Knife

GOVERNMENT WITNESS FOUND TRACES OF IT.

### WAS NO BLOOD ON IT

Medical Expert for Defense So Testifies-Mr. and Mrs. Beach Expected to Go on the Witness Stand Today.

Aiken, S. C., Feb. 5.—Frederick O. Beach will-take the stand in his own defense when his trial on the charge of assaulting his wife is resumed here to-morrow. This was the plan outlined by the defense at the close of court today.

today.

It also is proposed to have Mrs. Beach follow the accused New Yorker as a witness. Since the assault upon her was committed in the yard of the Beach winter home here on the night of Feb. 26 last the story told by Beach and his wife has never varied. Both have maintained that Mrs. Beach was attacked by an unknown pegro when attacked by an unknown negro when she left the house to give her dogs an

Bloodstains on Beach's Knife.

Today the state rested its case, which Today the state rested its case, which consisted almost entirely of an attack on the plausibility of Beach's story. The introduction of Beach's jewelled penknife, upon which one of the state's witnesses claimed to have found traces of blood corpuscles, was held by the prosecution until the last. It had been anticipated by the defense and they were prepared to meet expert testimony with expert testimony even to the extent of presenting a witness who had examined the knife and had failed, as he swore, to find any blood cells. as he swore to find any blood cells. Four of the defense's witnesses were examined during the afternoon session of the court, and the testimony of all of them concerned the knife.

Doctor Found Blood on Knife. Dr. D. Hastings Wyman, Jr. testified at the morning session that he had at the morning session that he had made a microscopic examination of the knife at the request of Mayor Giles and had found traces of blood. Later he said he took the knife to Augusta and submitted it to Dr. C. D. Partridge, professor of microscopies of the University of Georgia, who, he said, refused to express an opinion as to presence of blood.

Then he went to Columbia S. C. and

Then he went to Columbia, S. C., and obtained a written opinion there from Boykin Mims, an analysist, that there was blood on the knife. Doctor Found No Blood on Knife.

Doctor Found No Blood on Knife.

When the prosecutor announced at the opening of the afternoon session that the state had presented its case the defense offered Dr. Partridge as a witness. Dr. Partridge testified that he had examined the knife and had informed Dr. Wyman there was no blood there. He was making a very good witness for the defense until Prosecutor Gunter began cross-examining him. He seemed to become confused and answered questions only after long hesitation. er long hesitation.

Would Not Make Written Report. "Didn't you refuse to put the result of your examination down in writing?" demanded the prosecutor. The witness didn't answer "Didn't you?"
Finally he said he did not wish to

make a written report.

"You were afraid it would-fall into the hands of the state, weren't you?"

"No, I was unblased at that time."

"But you have become blased since then, haven't you?"

"No."

Family Physician Testifies. The Beach family physician, Dr. C. D. Hall, testified that after he was D. Hall, testined that after he was called to the Beach home by telephone he found Mrs. Beach suffering from a three inch wound in her throat, a superficial wound in the left breast and an abrasion on the left ear, "Was the attitude of Mr. and Mrs. Beach toward each other one of affective toward each other one of the control of the co Beach toward each other one of affec-

# An Inquiry Into **Bribery Charge**

BUT WILL NOT BE TAKEN UP IMMEDIATELY

#### CHAIRMAN IS TOO BUSY

the Qualifications of Cadwell.

Hartford, Conn., Feb. 5.—The inquiry by a special committee raised by the senate today into the charges made by Senator Hurley that a "high city offi-cial" offered him a bribe to be absencial" offered him a bribe to be absent on the day that a vote is taken on the governor's nomination of Mr. Cadwell, will not be taken up until after the committee on executive nominations finishes its task of looking into Mr. Cadwell's qualifications for highway commissioner. This is because Senator Isbell, republican, chairman of the special committee, is on the committee on executive nominations. The latter committee met Mr. Cadwell this afternoon and took up the line of inquiry which had been interrupted by the raising of the question whether Mr. Cadwell should have a transcript of all the evidence given before the committee. Mr. Cadwell earlier in the day had met with the rivers and harbor commission, and with the committee in the day had met with the rivers and harbor commission, and with the combor commission, and with the com-mission in charge of the New London dock and terminal project, of both of which he is a member.

Commissions Met Separately. These commissions met separately although their membership is practi-cally the same, Mayor Mahan being on the terminal commission and not on the other. Both commissions went over the biennial reports which are to be sent into the general assembly as soon as completed. Governor Baldwin attended the meeting. He stated that no business of importance other than consideration of the reports was done.

Repeal Bill to Conference Committee. Senators Landers was absent with seven other senators today when the senate sat. Absence of senators counted for much as there was a roil call on the question of receding from the senate's action in sending to the combined appropriations and roads investigation. bined appropriations and roads, rivers and bridges committee the McNell bill for repeal of the \$1,000,000 appropriation. Senator F. A. Johnson, who is against repeal forced a fight which led to Senator Isbell offering the proposition that the disagreeing action betaken up by a conference committee, to which the senate agreed 14 to 12 thereby barely saving the measure.

Representation of Cities. Among the many bills sent in was which is aimed to meet complications in the highway commissionership. It provided that while charges are pend-

The problem of representation of cities was taken up by Representative Thoms, who had a measure providing for four towns, in Waterbury much af ter Representative Pardee's plan give New Haven fourteen towns. Judicial Appointments.

Resolutions for judicial appointments in the minor courts and for county commissioners came in freely. The present incumbents of places on the bench either as judges or deputies and who are republicans, will find that they will have democratic contestants before the judiciary committee. This already has given rise to much discussion among legislators as to the reports to be expected from this committee in view of its even political division.

The democratic senators held a cau-cus during the afternoon. The high-way commissionership was not menway commissionership was not men-tioned. The discussion was almost entirely devoted to lines of action to be followed on bills which will go in embodying the governor's ideas as expressed in his message and as set forth in the democratic platform. Some of these bills are already in but the rest must be in by Friday night the rest must be in by Friday night.
